To Whom It May Concern:

This Supplemental Public Notice is in reference to USACE Regulatory Public Notice Number NAN-2016-00174-EPI, dated 01 April 2016, requesting public comment with regard to a proposal for the installation of four (4) commercial mooring buoys by New York State Marine Highway Transportation Company.

The original public notice is available at:

http://www.nan.usace.army.mil/Portals/37/docs/regulatory/publicnotices/2016/Apr16/NAN-2016-00174%20PN%20docx.pdf

Following discussions with interested parties the permit applicant, New York State Marine Highway Transportation Company, has modified its proposal so that it no longer includes a commercial mooring buoy at the previously described location in the Upper New York Bay, North of Ellis Island at Jersey City; and will be working with US Coast Guard, US Army Corps of Engineers, and commercial maritime stakeholders to identify an appropriate location in New York Harbor.
