

All requests for periodic condition surveys of the Federal navigation channels maintained by the New York District, Albany Field Office should include the name and address of the requestor, contact information (e.g. telephone, email), any affiliations (e.g. company name), and a statement describing the purpose of the request and how the data will be used. We will review the request and make a determination on the necessity for the submission of a Freedom of Information Act (FOIA). The requestor is responsible for all processing fees.
