Planning Division

Dear Interested Party;

At the request of several interested parties, the New York District, U.S. Army Corps of Engineers is extending its public comments review period on the Draft Environmental Assessment for the Newark Bay Study Area of the New York and New Jersey Harbor Deepening Project (50 ft). This one time extension of the review period is for an additional 15 days from August 2 through August 16, 2005.

Your comments and concerns are greatly appreciated. Should you have any, please send them to:

Mr. Ronald Pinzon  
Environmental Coordinator, Environmental Assessment Branch  
New York District, USACE  
26 Federal Plaza, Room 2136  
New York, NY 10278-0090

Copies of this document can also be found on the District's web page at [www.nan.usace.army.mil](http://www.nan.usace.army.mil). Printed copies may also be obtained by calling Mr. Pinzon at (917) 790-8627

Thank you for your participation in this project.

Sincerely,

A handwritten signature in black ink that reads "L. Houston".

Leonard Houston  
Chief, Environmental Analysis Branch
