# Inspection of Completed Works, NY

## Operation & Maintenance

**FACT SHEET**

**DECEMBER 2008**

**DESCRIPTION:** The Inspection of Completed Works (ICW) Program is an Operations and Maintenance (O&M) Program that provides for Corps of Engineers inspections of Flood Control Projects (FCPs) and Beach Erosion Control and Hurricane Protection Projects that have been constructed by the Federal Government. The projects in New York have been turned over to the local public sponsor, the New York State Department of Environmental Conservation (NYSDEC) and the city, town or village, which is responsible for O&M. Inspections are conducted jointly by engineers or technical representatives of the New York District and the local public sponsors, noting any observable deficiencies that need to be addressed in order for the project to maintain its structural integrity and design capabilities and provide flood protection to the community.

Within the New York District there are 24 projects in the ICW inventory that are inspected:

Project Name	County	Waterway	Type
Ardsley	Westchester	Saw Mill River	Flood Control
Chappaqua	Westchester	Saw Mill River	Flood Control
North Ellenville	Ulster	Beer, Sandburg Creek	Flood Control
Herkimer	Herkimer	Mohawk River	Flood Control
Holland Patent	Oneida	Thompson Creek	Flood Control
Hoosick Falls	Rensselaer	Hoosick River	Flood Control
Kingston	Ulster	Esopus Creek	Flood Control
Rosendale	Ulster	Rondout Creek	Flood Control
South Amsterdam	Montgomery	Mohawk River	Flood Control
Yonkers	Westchester	Saw Mill River	Flood Control
Asharoken, LI	Suffolk	Smithtown Bay	Beach Protection
Coney Island	Kings	Atlantic Ocean	Beach Protection
E-Rockaway- Rockaway Inlet	Queens	Atlantic Ocean	Beach Protection
Fire Island Inlet to Montauk	Suffolk	Atlantic Ocean	Beach Protection
Fire Island-Jones Inlet	Suffolk	Atlantic Ocean	Beach Protection
Oakwood Beach, SI	Richmond	Lower NY Bay	Beach Protection
Shelter Island	Suffolk	Gardiners Bay	Beach Protection
Ballston Spa	Saratoga	Kayadersoseras Creek	Snag&Clear
Highland Mills	Orange	Woodbury Brook	Snag&Clear
Mt. Pleasant	Ulster	Esopus Creek	Snag&Clear
Mt. Tremper	Ulster	Esopus Creek	Snag&Clear
Pleasant Valley	Dutchess	Wappinger Creek	Snag&Clear
Shandaken	Ulster	Esopus Creek	Snag&Clear
Wallkill River	Orange	Wallkill River	Snag&Clear

**AUTHORIZATION:** The projects are authorized under separate and subsequently amended Flood Control Acts for planning, design, construction, and inspection. In addition, local sponsors are responsible for O&M through Local Cooperation Agreements.

**STATUS:** The New York District maintains an inventory of projects eligible for Rehabilitation under Public Law 84-99 if they are damaged by a flood. Currently five projects in Ulster County (North Ellenville, Rosendale, Mt. Pleasant, Mt. Tremper and Shandaken) are undergoing Rehabilitation Assistance under P.L. 84-99 from flood damages in April 2005, in the amount of \$1.3M. All other projects in the inventory were inspected in 2005.

**PROJECT COST:** The annual operating budget for ICW in the State of New York is \$130,000.

**CONTACT:** Mike Ganley, Emergency Manager, or Russell Smith, Natural Disaster Manager,  
(917) 790-8500.
