Electronic Public Notice Distribution List Request Sheet

The purpose of this sheet is to provide the New York District Corps of Engineers, Regulatory Division with your contact information, so you can be added to the New York District Public Notice Distribution list. This information will be compiled into a computer database maintained by the New York District for the sole purpose of properly providing you with public notices issued by the District. Should you elect not to complete this sheet, your name will be deleted or you will not be added to our public notice distribution database. In an effort to reduce paper use, we ask that you provide us with your name and email address for distribution:
