771 Hart Senate Office Building
Washington, D.C. 20510

Dear Senator Booker:

I am writing to notify you that I recently signed the Report of the Chief of Engineers on the Raritan Bay and Sandy Hook Bay, Highlands, New Jersey Coastal Storm Risk Management project. The report will now undergo Administration review. Upon completion of the review, the Administration will provide its report and advice on how the project described in my report relates to the policy and programs of the President, the Economic, and Environmental Principles and Guidelines for Water and Related Land Resources Implementation Studies, and other applicable laws, regulations, and requirements relevant to the planning process.

Thank you for your interest in the U.S. Army Corps of Engineers Civil Works Program.

Sincerely,

Todd T. Semonite
