New York, NY 10278

Dear Colonel Caldwell,

The purpose of this letter is to confirm the New Jersey Department of Environmental Protection's (the Department) support of the Raritan Bay and Sandy Hook Bay, Union Beach New Jersey Hurricane and Storm Damage Reduction Project (the Project).

The Department supports the recommendations that are included in the Hurricane Sandy Limited Reevaluation Report for the Project, is committed to partnering with the U. S. Army Corps of Engineers, New York District and will continue to provide the staffing and support needed to complete this project.

If we can be of further assistance to you regarding the Project, please contact Bill Dixon, Director of the Division of Coastal Engineering, at (732) 255-0767.

Sincerely,

David Rosenblatt

**Re: ACOE Flood Control Project
Hurricane Sandy Limited Re-evaluation Study
Borough of Union Beach**

Dear Mr. Rosenblatt:

I am writing on behalf of the residents of the Borough of Union Beach to express our full support of the Army Corps of Engineers Flood Control Project for the Borough of Union Beach as presented in the Hurricane Sandy Limited Reevaluation Report (HSLRR).

The Borough of Union Beach is committed to and is excited to be working with the State of New Jersey Department of Environmental Protection (non-Federal sponsor) in implementing this most important flood control project for the Borough of Union Beach.

On behalf of the residents of Union Beach, I thank you for all you have done to advance this most important project forward.

Sincerely,

Mayor Paul J. Smith, Jr.
Borough of Union Beach
