Notice of Availability of Final Environmental Assessment

The U.S. Army Corps of Engineers, New York District (District) announces the availability of the *Environmental Assessment (EA) and Finding of No Significant Impact (FONSI) for Segment B1 Levee and Floodwall Construction, Green Brook Flood Damage Reduction Project, Middlesex Borough, Middlesex County,*.

In accordance with the National Environmental Policy Act and GSA Order ADM 1095.1F, implementing the regulations of the Council on Environmental Quality (40 CFR 1500-1508), the above mentioned project is not a major Federal action significantly affecting the quality of the human environment. Therefore, no Environmental Impact Statement will be prepared.

The EA and FONSI will be posted on the Green Brook Flood Damage Reduction Project link on the New York District's website:

<http://www.nan.usace.army.mil/business/prjlinks/flooding/greenbk/index.htm>

For further information on the project or to request a copy of the Environmental Assessment and FONSI, Contact: Project Manager
