

The U.S. Army Corps of Engineers (USACE) invites you to attend a

Public Meeting

for the

Nike BU 34/35 – Formerly Used Defense Site

Thursday, August 25, 2016

7:00 p.m. to 9:00 p.m.

Municipal Center (Basement Meeting Room)

4295 South Buffalo St., Orchard Park, NY

The agenda for the meeting will be to discuss the status of environmental investigations at the former Control and Launch Areas of the site.

We will also discuss forming a Restoration Advisory Board (RAB) for the site; a RAB is one of many methods USACE may use to facilitate public participation and exchange of information regarding our work at formerly used defense sites.

If you have any questions or are interested in joining the RAB as a volunteer, please contact:

Mr. Gregory J. Goepfert
